FOR THE CHILDREN

CHILDREN LOW LINE

Our voluntary sign-in form showed that more than 600 people visited Kapaia Foundation's Koinobori Kaua'i 2022 display from April 23 -May 20. Guests came from as close as Hanama'ulu to as far as Austria.

We managed to create a new display, stringing 11 rows of koinobori to appear as though they were swimming up Hanama'ulu Stream. Like our forefathers, the koi fish, swimming courageously upstream, is strong and determined, demonstrating traits we desire for ourselves and our children.

A successful project takes vision, planning and a lot of hard work!

## Kapaia Swinging Bridge Maintenance and Repairs

Since being rebuilt in 2018, members of Kapaia Foundation have been diligent in maintaining the historic Kapaia Swinging Bridge. We regularly blow and sweep off the monkeypod leaves and

flowers from the walking deck. Periodically, we cut back the overgrowth surrounding the bridge. Still, after 4 years, the structure is in need of preventive repairs. Nails are rusting, some railings are loose and the wire fence guards are coming apart. Our Board of Directors voted to fix the bridge as needed, rather than wait until work becomes major and more expensive. St. John

Enterprises has started repair work and will continue as the need arises. We are grateful to Kimo St. John for his expertise, dedication and for volunteering his labor.
